Rt. 8
Frederick, Maryland

Dear Mr. Weisberg:

Please find enclosed your order form, filled out with a remittance of \$12.50 for two books: Photographic Whitewash and Whitewash IV.

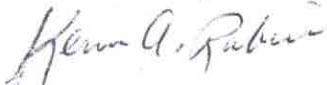

I'm looking very forward to seeing them, so please send them out as soon as possible.

Thanks very much for your letter of about two weeks ago. I see that you prefer independent investigation to the activities of the CTIA, and, in many ways I can see your point. CTIA's "bag," so to speak, is educating the people about the shades of grey involved in the assassinations of the sixties. They are less involved in "field work" than you seem to be. Also, I must admit there is a "populist" feeling to the lecture circuit they seem to run.

My personal attitude is that anything that is done toward the ends of "public truth-telling" cannot be bad. However, one faction cannot step on another's toes, or nothing will get done. I envision some of your most earnest efforts jeopardized by the current popularity of the JFK case, and I sympathize.

At any rate, I wish you the best of luck, and again offer my services (inside or outside the CTIA) as researcher or as photographic "specialist."

Best wishes,

Kenn A. Rabin
